

## Mary Osborne

**Mary Osborne** is a retired educator and has been affiliated with the Children's Museum since 1999 when she was hired as the first employee of the museum. It was an exciting time! The Board was looking for a permanent building to house the museum. After the Board purchased the present building in 2001, Mary and her husband spent many volunteer hours helping to prepare the building for the grand opening in 2002. She continued working as an employee until 2003 when she gave up the job of Office Manager to become a volunteer and serve on the Board of Directors. In that capacity, she manages the Gift Shop which is a wonderful financial resource for the museum. Since 2005 Mary has also been the elected treasurer of the Board, learning QuickBooks along the way.

Mary is also a volunteer at Good Shepherd UMC in Bloomsburg where she is choir director, pianist, Children's Church Coordinator and co-chair of the Mission Team. Although she has a busy life, she always finds time to spend with her five grandchildren, her favorite pastime!
