

Forrest Jordan is a Reliability Engineer for PPL Electric Utilities and has a mechanical engineering degree from Wilkes University. He has 3 years of experience in the cement industry along with 2 years now in electric utilities. Forrest is also on the coaching staff of the high school baseball team at Bloomsburg and has multiple years of experience coaching and umpiring baseball after he played baseball at Wilkes University. Forrest and his wife live just outside of Bloomsburg in North Centre township and are expecting their first child in August 2021. Outside of work and baseball, Forrest enjoys spending time with his wife traveling to different places attending baseball games, visiting museums, helping out at his church, hiking and camping.
