

Mike Hall has about 10 years of educational experience as a High School Social Studies teacher in the Benton Area School District. He lives in the wonderview community with his wife and young daughter. He works as a teacher who has advocated for career planning and financial preparation courses for students going into the workforce direct from high school in addition to the high quality college prep work that our local districts provide. Mike is also the Strength and Fitness coach for the Benton school district and has been the Tech Director for the Benton Drama department for several years. His wife Kaitlyn Hall is the Director of Early Intervention and Head Start for the Central Susquehanna Intermediate Unit, providing programs to kids from 3 years old to Kindergarten. She also teaches interactive art classes at the Museum for kids of those early ages (2-5) to get practice with fine motor skills.
